- Any other condition or situation deemed to be in the paramount interest of the PRINCIPAL during the overall selection process.
- The Principal reserves the right to annul any or all of the proposals received at any point in time, with or without assigning any reasons thereof. This decision will be made in the best interest of ensuring a fair and transparent procurement process.

EVALUATION OF PROPOSALS

A two-stage process will be adopted as explained below for evaluation of the proposals:

A. Technical Evaluation

- Technical evaluation of the proposals will assess whether the proposal complies with the prescribed eligibility conditions and if all requisite documents, information, and financial instruments have been properly furnished by the firm.
- The evaluation will verify technical compliance as submitted with the proposal to ensure that the proposed brand and model by the interested firm meet all the required minimum specifications as detailed in "Form T5" of the RfP document.

B. Financial Evaluation

- The financial proposals of the technically qualified firms only will be opened at this stage, in the presence of the technically qualified firm or their authorized representative, on the scheduled date and time as specified in the RfP document.
- The "Least Cost Selection Method" will be followed to evaluate the financial proposals.
- The firm submitting the lowest financial price proposal will be declared as the "L1" (lowest) bidder and will be communicated for further processing leading to the issuance of the "Supply Order."
- The evaluation process will be conducted in accordance with the principles of fairness, transparency, and adherence to the evaluation criteria specified in the RfP document. The selection of the "L1" bidder will be based solely on the financial competitiveness of the proposal among the technically qualified firms.

AWARD OF CONTRACT

Upon completion of the evaluation process:

- The L1 (lowest) bidder will be formally notified by the PRINCIPAL in writing through a "Letter of Intent" (LoI), requesting acknowledgment of the LoI and submission of the "Performance Security" within 15 days of LoI issuance.

- The "Performance Security" provided must be unconditional and irrevocable, as detailed in Paragraph 1 of "Section 4" of the RfP document, and must remain valid throughout the warranty period of the goods.
- After receiving acknowledgment of the LoI along with the required "Performance Security," the PRINCIPAL will proceed to issue the "Supply Order" to the selected firm, detailing the specified requirements as outlined in the RfP document.
- If the L1 bidder withdraws its willingness to supply the required goods after the issuance of the LoI or upon receipt of the acknowledged LoI due to any reason(s), the Earnest Money Deposit (EMD) or Performance Security deposited by the same firm will be forfeited by the PRINCIPAL. Subsequently, the firm securing the L2 position in the financial bid will be awarded the contract upon submission of the required Performance Security amount and EMD.
- Upon issuance of the Supply Order by the college, the concerned firm must supply and install the required number of items within 15 days from the date of the supply order issuance. No further extension of time will be allowed without a valid reason and prior approval from the principal.

GENERAL TERMS & CONDITIONS

Conflict of Interest:

A conflict of interest exists if:

- Firms have a business or family relation, directly or indirectly, with the PRINCIPAL.
- Practices prohibited under the anti-corruption policy of the Government of India and Government of Odisha are observed. Interested firms must exercise caution to avoid any conflict of interest with the PRINCIPAL, as this may result in disqualification and breach of contract.

Disclosure:

- Firms have an obligation to disclose any actual or potential conflict of interest. Failure to do so may lead to disqualification of the bidder or termination of its contract.

- Firms must disclose if they are or have been subject to any proceedings (such as blacklisting) or arrangements related to bankruptcy, insolvency, or financial standing, including any criminal convictions or professional misconduct.

Anti-Corruption Measures:

- Efforts by firms to influence the PRINCIPAL in the evaluation and ranking of financial proposals through unlawful or corrupt means will result in rejection of the proposal.
- Recommendations for contract awards will be rejected if the recommended firm is found to have engaged in corrupt, fraudulent, collusive, or coercive practices during the bidding process.

Force Majeure:

- "Force Majeure" refers to unforeseen events beyond the control of the selected firm, not involving fault or negligence, which may prevent or delay contract execution.
- The selected firm must promptly notify the PRINCIPAL in writing of any Force Majeure condition, its cause, and the necessary changes.
- The PRINCIPAL reserves the right to cancel the contract due to prolonged Force Majeure events, with no obligation to compensate the selected firm.

Governing Laws:

- The rights and obligations of the PRINCIPAL and the selected firm will be governed by the laws of the Government of India and Government of Odisha.
- All legal disputes will be subject to the jurisdiction of the Orissa High Court, Cuttack.
- Any breaches of the terms and conditions outlined above may result in appropriate actions, including disqualification, contract termination, or legal proceedings, as per the applicable laws and regulations. These terms and conditions are essential to ensure transparency, fairness, and compliance throughout the procurement process.
