

NIMAPARA AUTONOMOUS COLLEGE, NIMAPARA, PURI **ANNUAL REPORT 2024-25**

It is an honor to present the annual report of Nimapara autonomous College for the academic session 2024-25.

This report highlights our journey of academic excellence, cultural vibrancy and holistic development. Established in 1963, our institution has proudly completed 61 years of service in education. Spanning a campus area of 17 acres the college caters to students from +2 to post graduate levels with notable accomplishment in academic and extra-curricular activities & community service.

Our college Offers 15 UG Programmes, 5 PG Programmes and 2 Self Financing Programmes on BCA & BBA.

We have study centre of OSOU and offer 4 PG & 5 UG Programmes under distance Learning System. This year our college has proved its excellence in +2 level by becoming the toppers in both Arts & Science stream.

Academic excellence

On 1st June 2024 the college felicitated our brilliant +2 students priti padmini Baral of Arts stream with 85% of marks Biswas Beura of science Stream with 92% of marks and prinyanka priyadarsinin Maharana of Commerce stream with 87% of marks.

This year with an outstanding pass percentage of 89% in U.G & 99% in PG, we are setting new bench marks of excellence.

This year our +3 students have also excelled in P.G entrance exams, Snehamayee Majhi & Laxminarayan Mohanta of Geology Department have been selected for IIT(ISM) Dhanbad.

Chandra Sekhar Pradhan and Priti Biswal of English department got admitted in Pondicherry Central University and B.B Ambedkar Central University , Lucknow respectively .

The Best graduate of our college Bikash Mishra of Physics department got 11th rank , Linkina Behera of History department got 6th rank, Amulya Sethi of Psychology department got 10th rank , Bibhuprasad Mohanty of dept. of Education got 19th rank in CPET Exam 2024.

We are proud to share that 150 UG students from our college have successfully qualified for taking admission to PG programs at various esteemed universities across the country.

Sabyasachi Senapati, received State level best volunteer Award in NSS this year.

Seminar & Workshops

Department of History and Geology jointly hosted a National Seminar on the topic New Dimensions of Geo -Archaeological Research in the month of July, 2024 . Department of History hosted another National seminar on the topic “New Frontiers of Archaeology in Coastal Odisha ” during this academic session. The department of commerce and Odia also hosted state seminar this year.

Under the guidance of IQAC our college organised seminars on Research Methodology , seminar on Message of Bhagwan Shree Krishna for Students in Bhagwat Gita by Anirbana Nanda Saraswati of Pragyan Mission, Puri, Binary accreditation & Indian Knowledge System and also have organised,an orientation program on NEP-2020 and Binary accreditation by Dr. Tusharkanti Tripathy ,Consultant from OSHEC.

Observation of Days

Our college observed different days of International and National importance like world environment day, World Sanskrit day, teacher’s day, NSS day, birth anniversary of Saheed Bhagat Singh, Gandhi Jayanti, World Mental Health Day, National Education Day, Constitution Day, International Yoga Day, International Youth Day, World Heritage Day, AIDS Day, Anti-Tobacco Day, Vigilance Awareness Week, Fire safety Week and many more other events.

On the eve of National Education Day the college organised a poster presentation programme for UG & PG students on 11th November 2024. The aim of the programme was to encourage creativity visual learning and critical thinking among students.

IQAC Activities

IQAC organized different career counselling programs and placement drives to guide a students in exploring diverse career opportunities. Training programs like EBSCO-Virtual Library orientation and Digital skilling by NASSCOM equipped our students with valuable skills for the future. Self Defense training program was conducted to empower our students focusing on physical fitness, Yoga and Aerobic exercises.

In line with our commitment to holistic development the college encourage students participation in cocurricular and cultural activities through

different clubs . Competitions such as debate , quiz elocution , dance, music, poetry recitation , art & Craft , rangoli, mehndi and photography were held for promoting creativity and a healthy life style.

Different departments organized insightful study tours and weekly seminars enhancing students practical knowledge and cultural appreciation.

Our college organized the faculty development program including smart board operation training session, income Tax Awareness and financial literacy program this year.

Faculty achievements

Dr. Niranjana Rout from the department of History & Dr. Bishnu Prasada Sahoo from the Department of Odia were awarded with Ph.D adding another feather to the cap of our distinguished faculty.

Sports:

We are proud to declare that

Our +2 boys Volleyball team emerged as state champion in CHSE, Odisha this year.

Our +2 boys Kabaddi team also have been declared runners Up in State Level championship.

+3, boys team also excelled in kabaddi winning the runners-up trophy at the university level.

YRC,NSS & NCC activities

The youth red cross Organized a first Aid program in collaboration with IMT Pharmacy, Puri. Two Volunteer along with a counsellor from our college, participated in that event.

Our NSS students actively contribute not only to the improvement and development of the college campus but also extend their efforts to the wider community. They engage with marginalized and underprivileged sections of society, raising awareness about critical social issues and inspiring positive change. Through their dedication, they exemplify the spirit of service and social responsibility.

Our NCC wing actively observed and participated in several significant events including Vanamahastav Week , Shaheed Divas , Puneet Sagar Abhiyan and National Army day not only show cased the commitment to patriotism and national pride but also fostered a sense of camaraderie and team work among our cadets.

Its my honor to appraise here that this year our college has applied for five PG subjects including Education Pol.Sc , Physics , Botany and Zoology. As we step into a new academic year our focus will remain on academic excellence, cultural enrichment and community service.

Together we have achieved significant milestones and I am confident that Nimapara Autonomous College will continue to shine in the years to come.
